| <b>Engines:</b>      | Twin Caterpillar ~ 450 H.P. |                        |             |

Unique to vessels of her class, this new 48' Extended Classicco sedan, as spec'd out, brings to yachting a state-of-the-art sedan trawler. She combines a traditional Ed Monk, Jr. profile with full range performance. Her hull design and tank capacity enable her to double as both the efficient stable long-range platform or with her twin 450 hp Cats, a lively 22 knot cruiser!
